Unico

REXA

An introduction

IT Completa, totalmente personalizzabile.
Considerata il sistema universale di Rexa per il bagno: il programma che esprime al meglio la profonda conoscenza del Corian® e la capacità di progettare con esso in funzione delle diverse esigenze.

EN Complete, totally customizable.
Considered the universal Rexa system for the bathroom: the program that best conveys the deep knowledge of Corian® and the ability to design with it, based on different needs.

FR Complète et totalement personnalisable.
Considéré comme le système universel de Rexa pour la salle de bains : c'est le programme qui exprime le mieux la connaissance approfondie du Corian® et la capacité de concevoir des éléments fonctionnels répondant à différents besoins.

DE Vollständig an jede Situation anpassbar.
Es gilt als das universellste System von Rexa für das Badezimmer: das Programm, das am Besten die tiefgreifende Fachkenntnis von Corian® zum Ausdruck bringt und die Fähigkeit hat, mit diesem Material die verschiedensten Bedürfnisse zu realisieren.

ES Completa, totalmente personalizable.
Considerado el sistema universal de Rexa para el baño: el programa que expresa mejor el profundo conocimiento del Corian® y la capacidad de proyectar con él en función de las diferentes exigencias.

An introduction

What is Unico

1.

Un materiale per molteplici forme

Infinite possibilità compositive nascono da un unico denominatore, il Corian®.

A material for a variety of forms

Infinite composition possibilities born from the same denominator, Corian®.

Un matériau pour des formes multiples

Des possibilités de composition infinies naissent d'un dénominateur commun : le Corian®.

Ein Material für eine Vielzahl von Formen

Unendliche Kompositionsmöglichkeiten ergeben sich aus einem einzigen Nenner: Corian®.

Un material para muchas formas

De un único denominador, Corian®, surgen infinitas posibilidades de composición.

3.

Veste tutta la stanza da bagno

Volumetrie essenziali e flessibili capaci di interpretare ogni elemento o funzione.

For every part of the bathroom

Essential and flexible volumes able to interpret any element or function.

Pour chaque partie de la salle de bain

Des volumes essentiels et flexibles capables d'interpréter chaque élément et chaque fonction.

Für jeden Bereich des Badezimmers

Wesentliche und flexible Volumen, die jedes Element oder jede Funktion interpretieren können.

Para todo el cuarto de baño

Volúmenes esenciales y flexibles capaces de interpretar cualquier elemento o función.

2.

Progettuale e su misura

Un programma universale che si adatta ai più ambiziosi sviluppi architettonici.

Suitable for customized creations

A universal program adaptable to the most challenging architectural projects.

Conceptuel et sur mesure

Un programme universel qui s'adapte aux développements architecturaux les plus ambitieux.

Individuelle Kreationen auf Mass

Ein universelles Programm, das sich an die anspruchsvollsten Architekturprojekte anpassen lässt.

Diseño y a medida

Un programa universal que se adapta al desarrollo de proyectos arquitectónicos más ambiciosos.

Inside Rexa

IT Esploriamo la stanza da bagno attraverso prospettive progettuali inedite, spinti dalla passione per i materiali e dalla curiosità per i modi di vivere questo spazio della casa, intimo e funzionale allo stesso tempo. Il design, la ricerca e la progettazione sono alla base del nostro operare, ci mettiamo in ascolto del mondo esterno interpretandone le suggestioni e dialoghiamo con i progettisti e i nostri clienti, mettendoci al loro fianco nell'impresa di progettare spazi per la vita delle persone.

EN We explore the bathroom through new design perspectives, driven by the passion for materials and curiosity for the ways of living this space of the house, intimate and functional at the same time. The design, the research and the project are the basis of our work, we listen to the outside world by interpreting its suggestions and we speak with the designers and our customers, sharing with them the business of designing spaces for people's lives.

FR Nous explorons la salle de bain à travers de nouvelles perspectives de design, animés par la passion des matériaux et la curiosité pour les façons de vivre cet espace de la maison, intime et fonctionnel à la fois. Le design, la recherche et le projet sont la base

Inside Rexa

de notre travail, nous écoutons le monde extérieur en interprétant ses suggestions et nous parlons avec les designers et nos clients, partageant avec eux le métier de concevoir des espaces pour la vie des gens.

DE Wir erforschen das Badezimmer aus neuen Designperspektiven, angetrieben von der Leidenschaft für Materialien und der Neugierde, wie man diesen intimen und doch funktionalen Raum im Haus erleben kann. Design, Forschung und Planung sind die Grundlage unserer Arbeit, wir hören auf die Welt da draußen, interpretieren ihre Anregungen und stehen im Dialog mit Designern und unseren Kunden, um gemeinsam mit ihnen Räume für das Leben der Menschen zu gestalten.

ES Exploramos el cuarto de baño a través de perspectivas de diseño inéditas, impulsados por la pasión por los materiales y la curiosidad por las formas de vivir este espacio de la casa íntimo y funcional al mismo tiempo. El design, la investigación y el diseño son la base de nuestro trabajo, nos ponemos a la escucha del mundo exterior interpretando las sugerencias y dialogamos con los diseñadores y nuestros clientes, poniéndonos a su lado en la empresa de proyectar espacios para la vida de las personas.
