

# NEW DESIGN

## NEW SOLEO IN NEW COLOURS

New colours appeared: Light Gold, Gunmetal Brushed, Copper Brushed in our collection New Soleo, which is full of wide range of functional solutions for many years. Thanks to that, everywhere where the swinging door solution is needed the bathrooms will have modern designs in unique colours.

## NEW DESIGN OF EVENTA

In new collections 2023 you can also find new version of colours of Eventa. Original colours in versions Gold Shine, Copper shine and Black chrome are the newest bathroom fashion trend. Thanks to high gloss detailing "Eventa" is suitable for glamour interiors even for demanding bathroom.

## SOFTI X

Softi X is well known collection of sliding shower enclosures with soft closing doors. In new version of Softi the X received a new way of assembly method to the wall with unique, mini cubes which make the structure visually lighter.

## SMART WITH NEW TOWEL HOLDER

The Smart collection as innovation in 2022 met with big appreciation among our costumers which affected its further development. We present Smart cabins in the current catalogue with towel holder which allows you to put down the towel during taking the shower in a comfort way.

## AVEXA XR

In colours Gold Shine and Black we allowed ourselves to a bit of madness. We finished details with knurling structure. Thanks to this we gave the effect of exclusive elegance to the cabin.

## NEW COLOURS TO LINEAR SHOWER DRAIN VISIO SLIM

It is obvious to us to make another step in the development of the linear drainage offer. Our drains appear in colours available in 2023 therefore we have Copper Brushed and Gunmetal Brushed. Thanks to this, composing the shower zones in the same colour will be extremely simple for our customers.
