Kuma Marble este un material turnat format din granule de marmura naturala si rasini poliesterice.

Suprafata lavoarului este acoperita cu un gelcoat sanitar fara pori, care confera rezistenta, impermeabilitate, proprietati antibacteriene si anticalcar

KUMA ROMANIA: Str. Stupini, 85 B, Banesti, Prahova
Tel: +4 0244348596 E-mail: office@kumaromania.ro
Web: www.kumaromania.ro www.kuma.dk

La inceput au fost lavoarele. KUMA le produce inca din 1988.
Apoi a fost visul: sa realizam lavoare custom, conform masuratorilor si dorintelor clientilor nostri.
Pasul firesc, completarea gamei Custom cu gama Module si gama Residential
Ne adresam pietelor din Scandinavia, Romania, Italia, Franta, Olanda, Ungaria, Grecia
